4th Annual Health & Safety Conference

October 27-29, 2010 • Holiday Inn, St. John's, NL

Don't miss our dynamic keynote speakers!

Alan D. Quilley, CRSP, President, Safety Results Ltd.

Alan is the author of the successful *The Emperor Has No Hard Hat* and most recently *Creating & Maintaining A Practical Based Safety Culture*. He is also an educator and popular conference speaker whose outspoken, humorous style is thought provoking and inspiring. Alan brings to his presentations over three decades of OH&S management experience in a wide variety of industries including municipal, health care, transportation, oil and gas and government.

Eugene Erick, Base General Safety Officer, CFB Suffield, AB

From September 2008 to April 2009, Eugene volunteered as the second Task Force Safety Officer (TFSO) with TF Afghanistan, at Kandahar Air Field (KAF). In his presentation "Sand, Sweat, and Safety," he will share his experience of implementing a General Safety Program at KAF and the unique challenges of operating in an active theatre of confrontation. Eugene will highlight the common elements of a General Safety Program regardless of where it is put to work. An avid photographer, Eugene will surely astonish with his breathtaking pictures of this incredible experience.
